

**CALL FOR PAPERS**

# ICECCME'27

The 7th International Conference on Electrical, Computer, Communications and Mechatronics Engineering (ICECCME) is the premier event that brings together industry professionals, academics, and engineers from the related institutions to exchange information and ideas on electrical, computer, communications and mechatronic engineering. The conference will feature a comprehensive technical program offering numerous technical sessions with papers showcasing the latest technologies, and applications.

*PHUKET,  
THAILAND*
